

POWR RECRUIT START HERE Guide

A professional hockey recruiting system for players and parents who want clear presentation, better organization, and a cleaner process.

Prepare • Present • Get Noticed • Play Higher

Welcome

Welcome to POWR Recruit. This toolkit helps hockey players and families present themselves professionally, organize coach outreach, and track opportunities with more clarity.

Recommended order of use

- Complete your Player Resume Builder
- Draft your Player Bio
- Organize your highlight reel using the Blueprint
- Prepare coach outreach with the Contact Pack
- Build your Recruiting Tracker
- Use the Tryout & Showcase Checklist before key events
- Review the Recruiting Roadmap throughout the season
- Compare your work against the Example Pack

30–60 minute setup plan

- 10 min: collect basics (stats, team history, contact info)
- 10 min: draft your player bio
- 10 min: list best clips and build reel order
- 10 min: set up your recruiting tracker
- 10–20 min: customize first outreach templates

What this is / is not

- IS for clear presentation, organization, and process
- IS NOT a guarantee of recruitment, scholarships, or roster spots
- IS NOT a replacement for on-ice development
