

POWR RECRUIT Highlight Reel Blueprint

A professional hockey recruiting system for players and parents who want clear presentation, better organization, and a cleaner process.

Prepare • Present • Get Noticed • Play Higher

Structure Your Tape Like a Pro

Coaches should not hunt for your best moments. Make identification easy and put your strongest clips first.

Recommended sequence

- Title card: name, birth year, position, team, contact, jersey color/number
- Best clips first
- Offensive examples
- Defensive details
- Transition / skating examples
- Special teams if relevant
- Final contact card

Skater clip categories

- Offensive zone play
- Playmaking
- Skating and transitions
- Puck retrievals
- Forecheck / pressure
- Net-front habits
- Special teams

Common mistakes

- Long intros
- Low-quality clips
- Too many average plays
- No player identifier
- Random order
