

POWR RECRUIT Recruiting Roadmap

A professional hockey recruiting system for players and parents who want clear presentation, better organization, and a cleaner process.

Prepare • Present • Get Noticed • Play Higher

Know What to Update and When

Preseason

Build or refresh your player profile, collect baseline clips, and identify target programs.

Early season

Update your stats, send first outreach wave, and start tracker follow-ups.

Midseason

Refresh reel quality, add current clips, and continue professional follow-up.

Late season / playoffs

Tighten materials, target realistic opportunities, and prepare for tryouts/camps.

Offseason

Reassess goals, rebuild your clip bank, and update profile/bio for next season.
